# InterSystems Global Summit 2016 MVP Contest Update!

Hi, Community!

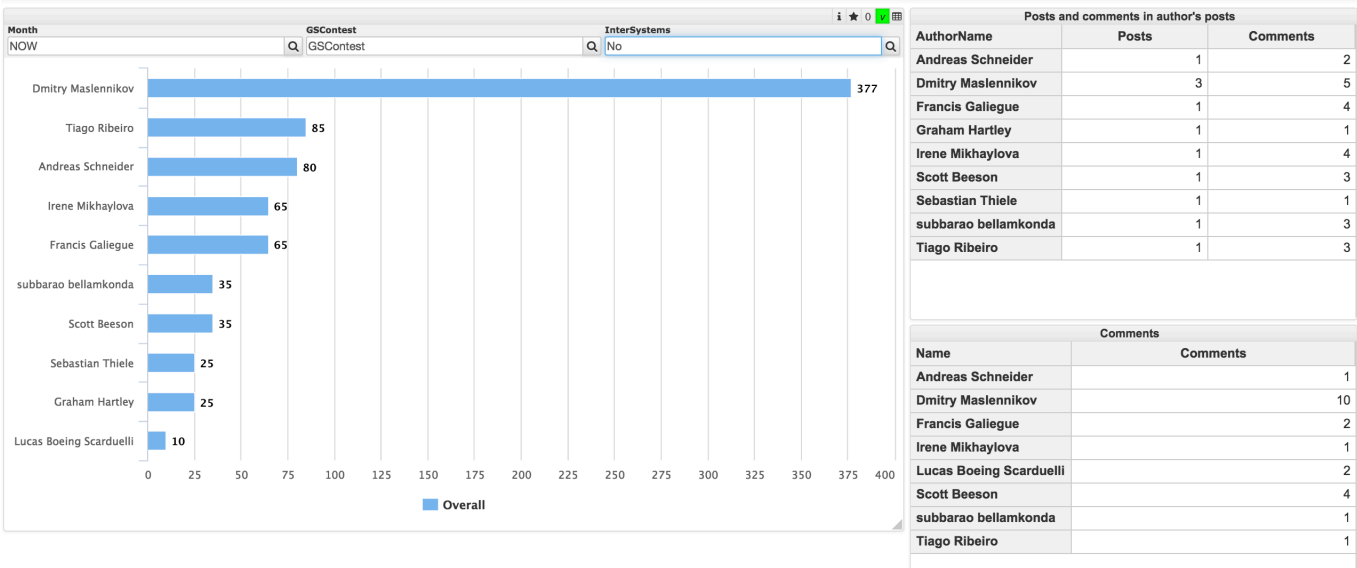

There are only six days left to win InterSystems Developer Community MVP prize.

As it was announced in addition to Free Registration on InterSystems Global Summit winner gets 4 nights stay in the [Arizona Baltimore, Waldorf Astoria Resort](#).

We measure contribution to Developer Community on valuable posts and comments and prepared special leaderboard built on [InterSystems DeepSee](#).

By default, it shows all the members. We added the filter to the dashboard to show leaderboard without members who are InterSystems employees.

So here is [current leaderboard](#) without InterSystems members:

Win MVP and come to [InterSystems Global Summit 2016!](#)
