Meet InterSystems Data Platform Blog!

Hi Community!

Meet the new group in Developer Community:

[InterSystems Data Platform Blog!](#)

In this group you'll find technical posts form InterSystems engineers and Community about InterSystems Data Platform technology cases which we consider as good or even best practices.

Every article in this blog passes InterSystems engineers' reviewing procedure and only then becomes available. You are very welcome to comment and share it!

We'll find best practices of InterSystems Technology implementations, will transform it into articles and will deliver for you in this group on a regular basis.

Don't miss new posts and subscribe to [InterSystems Data Platform Blog](#) today!

Evgeny Shvarov,

InterSystems Community Manager
