Developer Community MVP of March and the Winner of GLocal Summit Contest II is ...

Hi, Community!

The [Second InterSystems Global Summit Contest](#) finished yesterday, and we have a new winner!

[John Murray](#) has won the prize and showed very impressive contribution activity with the result:

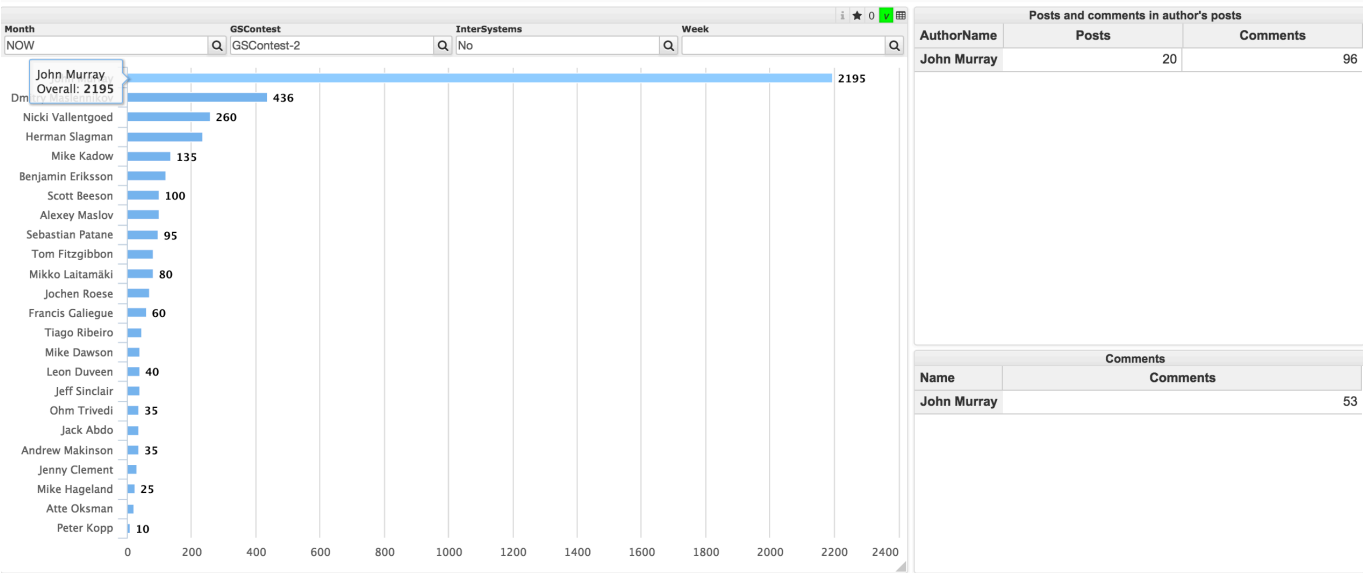

- he did 20 posts with 40 votes on them,
- these posts were commented 96 times by other members
- made 53 comments with 39 positive votes.
- All this happened in 2 weeks.

Congratulations!

John gets Free Registration on [InterSystems Global Summit 2016](#) and the 4-night stay in [Arizona Biltmore, Waldorf Astoria Resort!](#)

Thanks everyone who participated in this contest! Stay tuned and we will invite you to take part in new InterSystems Developer Community contests!
