Developer Community April 8th Release

Release Notes - 4/8/2016

Release Notes - Developer Community (External) - Version DCWeb-040816-Release

**** Task**

- * [DCE-113] - Remove Content Type "Code Package"
- * [DCE-115] - Add DC members mentioning functionality
- * [DCE-116] - Fix layout on Global Summit landing page
- * [DCE-118] - Tag appropriate content as "New"
- * [DCE-123] - Change "Newest" filter rules

**** Bug**

- * [DCE-114] - Adding comment to Answer should mark parent posting as updated
- * [DCE-117] - Home page duplicates postings when more than one group selected
- * [DCE-119] - Search results showing raw answer name
- * [DCE-120] - Selecting a tag on Firefox (Mac) crashes FireFox
- * [DCE-121] - Member profile pictures fail on IE 11
