## Featured InterSystems Online Course: Navigating the Management Portal

Learn the different ways to navigate the management portal.

### Navigating the Management Portal

This course describes how to start the Management Portal, explains the different sections of the home page and shows several ways to navigate to other pages. Learn how to start the Management Portal on your client system, identify the sections of the Management Portal home page, recall how to add a page to the Favorites and navigate the Management Portal using links and keywords.
