NewBie's Corner Session 9 Documentation and books

NewBie's Corner Session: 9 Documentation and books

Welcome to NewBie's Corner, a weekly or biweekly post covering basic Caché Material.

To access your documentation:

Assuming you have installed Caché, (see NewBie's Corner, Session:1),

Click on the InterSystems cube in the Windows system tray, then choose Documentation.

Or – another method you can use to access your documentation:

Assuming you have installed Caché, (see NewBie's Corner, Session:1),

Click on the InterSystems cube in the Windows system tray, then choose Preferred Server,

From the drop down menu choose Add/Edit

Then from the row that has your Server Name, find the Web Server Port

Enter the following URL into a browser page, where 57772 is the Web Server Port you just found:

<http://localhost:57772/csp/docbook/DocBook.UI.HomePageZen.cls>

Or - if you wish to see the documentation on the InterSystems website:

<http://doc.intersystems.com/>

Or - here is the link to the beta documentation:

<http://docs.intersystems.com/beta/csp/docbook/DocBook.UI.FramePage.cls>

Following is a list of books on Caché and MUMPS available on Amazon.com

(Note: Caché and MUMPS has changed considerably over the last decade or two.)

- The MUMPS Programming Language - published 2008
- The Complete MUMPS - published 1989
- Caché ObjectScript and MUMPS - published 2012
- Caché and MUMPS Part II – published 2016
- MUMPS Language Tutorial - published 2016
- Object-Oriented Application Development Using the Caché Postrelational Database – published 2003
- M Programming - published 1997

-ABCs of MUMPS – published 1989

- M - 2013, by Eugene Karataev

- Von ANS MUMPS zu ISO/M - Fortgeschrittene Programmierung in M - 1993, by Wolfgang Kirsten

- Einführung in die Programmiersprache MUMPS - 1989, by Stephan Hesse and Wolfgang Kirsten.

If I left out any books, especially your favorite, please let me know and I will update this list.
