2.000 Members on DC!
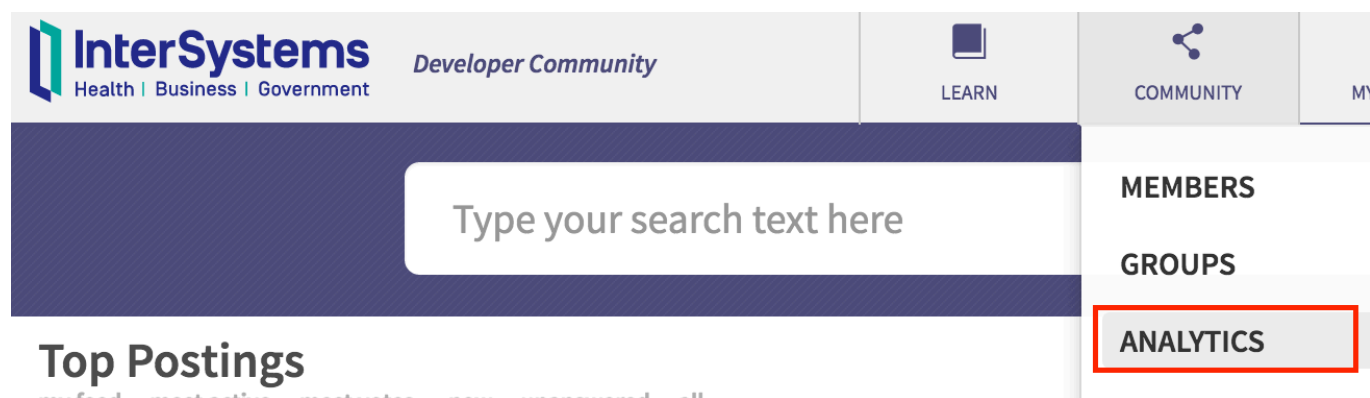

Hi, Community!

This place is getting bigger and today we reached **2.000 of registered members** on InterSystems Developer Community!

Recently we introduced [online analytics](#) (build on InterSystems DeepSee) of main figures regarding Developer Community.

You can find the analytics in the menu Community->Analytics:

So you can click on the dashboards and cells and drill down to the daily posts, tags or examine the current leaderboard of the most active and helpful members.

Thanks for your participation and contribution! 👍
