InterSystems Technology Student Contest 2017

Hi, Community!

Let me share the news about [InterSystems Technology Student Contest](#) we just have launched!

The contest has two online stages:

1. Registration and the online test stage: March 17 - April 5, 2017.
2. Online tasks stage: April 7 -15, 2017.

After that, the best participants would be invited to the International finals of the International IT-Planet Olympiad 2016/17, on May 26-29 in Sochi, Black Sea resort city in Russia.

If you are a student under the age of 25 you are very welcome to participate!

If you know students or professors who might be interested please share the announcement!

The admission is free and limited to participants from USA and Europe. InterSystems will cover the flight and accommodation expenses for the finalists for their travel to Russia.

See the additional information on the [contest page](#).

If you have any questions please comment below.
