How to clear an interative field entirely in a DTL

GT1¦1¦1¦Test^Test¦¦123 Building^123 Building^Brooklyn^NY^11220^United States^^^Kings¦^PRN^PH^^^^^^^^^(111) 111-1111^PRN^CP^^^^^^^^^(222) 222-2222¦¦¦""¦IN¦DGH^Daughter

I'm trying to clear the phone number completely.

Remove target.{GT1(1):GuarantorPhNumHome()} still gives me ~
