## Can I use InterSystems iKnow without InterSystems DeepSee?

Can we use iknow in the Cache tool means if i don't have deepsee tool to work on like for doing some sample programs. Because i don't have deepsee tool with me?

And is there any open source for downloading deepsee?

[#Beginner](#) [#Caché](#) [#InterSystems](#) [IRIS BI \(DeepSee\)](#) [#iKnow](#)
