[FIXED] Summaries of Field Test changes not available

FYI, on the Field Test page, the links highlighted below are currently broken:

Known Issues & Changes

Known Issues	Known Issues UNKNOWN
Change Listings	Changes to Caché & Ensemble kits (ordered by Category) • Changes between build 651 and 677 ▣ • Changes between build 672 and 677 ▣ Changes to Caché & Ensemble kits (ordered by First Kit) • Changes between build 651 and 677 ▣ • Changes between build 672 and 677 ▣

UPDATE: this is now working again.
