## Video of the Week: Securing the Management Portal Webinar

Hi Community!

If you need to help maintain and monitor your system, you could give additional users access to the Management Portal.

Are you interested? So, check the new Developer Video of the week:

[Webinar: Securing the Management Portal](#)

It's a recording for the webinar we [announced previously](#).

Don't forget to subscribe to [InterSystems Developers YouTube Channel!](#) 😊

[#Management Portal](#) [#Security](#) [#Video](#) [#Webinar](#) [#Learning Portal](#)
