Video of the Week: InterSystems iKnow Technology. A Cure for Clinician Frustration

Hi Community!

Enjoy the video of the week about InterSystems iKnow Technology:

[A Cure for Clinician Frustration](#)

In this video, learn why iKnow capabilities are critical for getting the most out of your investments in electronic health records and improving information access for clinicians.

You are very welcome to watch all the videos about iKnow in a [dedicated iKnow playlist](#) on the [InterSystems Developers YouTube Channel](#).

Enjoy!
