Maintenance Release of HealthShare Health Connect v15.021 for 2016.1.4

I am pleased to announce the Maintenance Release of HealthShare Health Connect v15.021 on data platforms 2016.1.4

This contains the HealthShare module Core: 15.021.8253

The version number for this kit is 2016.1.4HS.8253.0

The platform list is the same as for HealthShare Health Connect v15.02 for 2016.1.3. You can get details from the [Supported Platforms document](#).
