## Video of the week: System Sizing for Insanely Large Deployments

Hi, Community!

Please find the Developer Community Video of the week on [InterSystems Developers YouTube Channel](#):

[System Sizing for Insanely Large Deployments](#)

This video is a session from Global Summit 2016 which explains how you can validate your performance and scalability claims, detect and correct bottlenecks, or determine the hardware needed to optimally run your applications.

You are very welcome to watch all the videos from Global Summit 2016 in a [dedicated Global Summit 2016 playlist](#) on the [InterSystems Developers YouTube Channel](#).

Enjoy!
