The Second Developer Video of the Week: Turning Accountants into Explorers

Hi, Community!

This week we have **two** videos.

Please find the second Developer Community Video of the week on InterSystems Developers YouTube Channel:

Turning Accountants into Explorers

This video is a session from Global Summit 2016 which can help people to make better decisions by letting application deal with all the data.

You are very welcome to join InterSystems Global Masters Advocacy Hub where you can also complete some Video challenges and many more other entertaining and informative challenges.

Enjoy! 👍
