Take part in the Winter Champions contest on Global Masters!

Take part in the Winter Champions friendly competition on [InterSystems Global Masters AdvocateHub](#)! Let's have some fun on sunny and snowy slopes!

How it works:

- The contest will run for 2 weeks (January 15 - 28)
- There will be 3 hills (Bunny, Intermediate and Black Diamond Hill). Each ski hill will have 3 challenges affiliated with it. Once you have completed the 3 challenges of the hill, you will receive a unique " badge " and the next hill challenges will be unlocked for you.
- Each challenge is a small task: educational, fun or "do-some-activity"

Note: this is not a coding contest

Prizes:

All the finalists who complete 9 challenges will get the InterSystems Bluetooth Headphones:

The finalists will also enter the raffle for the Grand Prize: Remote Control Mini Drone with Camera!

- The winners will be announced on February, 1.
