New Video: An InterSystems Guide to the Data Galaxy

Hi, Community!

Please find a new session recording from Global Summit 2017:

[An InterSystems Guide to the Data Galaxy](#)

This video shows how to understand the concept of an open analytics platform for the enterprise.

[@Benjamin De Boe](#) tells how InterSystems technology pairs up with industry standards and open-source technology to provide a solid platform for analytics.

You can also see the [additional resources here](#).

Don't forget to subscribe to the [InterSystems Developers YouTube Channel](#) 

Enjoy!
