New Video: Atelier - May the Source Be With You

Hi, Community!

This week we have two videos. Check the second Developer Community Video of the week:

[Atelier: May the Source Be With You](#)

In this video learn, how to collaborate with a development teams using Atelier with Git.

[@Nicole Aaron](#) provides guidance for integrating source code control by configuring Atelier with the EGit plugin and explains how repository preferences and Eclipse preferences interact. This session recording demonstrate a workflow with two users.

See [additional resources here](#).

Enjoy! 😊
