Next Friday is The Black Friday! Now On Global Masters!

Hi, Community!

You know, next Friday is a very famous Friday when every shop usually turns into Cinderella introduces unique deal proposals.

We are not the shop but we have a unique proposal for the next Friday on [Global Masters](#).

<p>Activities</p> <h3>2 Minute Feedback for 200pts!</h3> <p>We're looking for feedback on Global Masters so we can make it even better!</p> <p>200</p>	<p>Global Master of the Month</p> <h3>Introducing Francisco López, the Global Master...</h3> <p>Francisco López de las Heras is a young 45 years-old, passionate about technologies, more than 20...</p> <p>30</p>	<p>BLACK FRIDAY</p> <h3>One Day Only!</h3> <p>Skip the lines this year and get access to the items you want here in Global Masters! Next Friday is The Black Friday! Now On Global Masters!

Published on InterSystems Developer Community (<https://community.intersystems.com>)

This day, for 24 hours, we would have a special set of challenges, with double points for the activities, and the special prize for the winner.

Join Global Masters with your WRC credentials or request an invite by commenting this post.

See more [details on Global Masters](#).

Wish you great deals on Black Friday!
