New Video: Catching Bad Guys with iFind and REST

Hi, Community!

Please find a new session recording from Global Summit 2017:

[Catching Bad Guys with iFind and REST](#)

In this video [@ Alain Houf](#), InterSystems Sales Manager, explains how to leverage unstructured data using iFind and REST APIs. The approach is to highlight a real-world deployment from the Belgian Federal Police.

Please check [additional resources here](#).

Don't forget to subscribe the [InterSystems Developers YouTube Channel](#).

Enjoy and stay tuned! 👍
