New Video: Hyper-Converged Infrastructure

Hi, Community!

Please welcome a new session recording from Global Summit 2017:

[Hyper-Converged Infrastructure](#)

After watching this video, you will learn how to decide whether a hyper-converged infrastructure is ideal for your enterprise applications.

[@Murray Oldfield](#) discusses best practices and provides guidance on the right questions to ask. Topics will include horizontal scaling, sharding, and information about some available hyper-converged storage solutions.

See [additional resources here](#).

You can also find all videos on [Developer Community Telegram Channel](#), [Facebook Page](#) and [Twitter](#).

Enjoy! 😊
