New Video: Mirror, Mirror, Which Should I Choose?

Hi, Community!

 Check a new session recording from Global Summit 2017:

Mirror, Mirror, Which Should I Choose?

In this video learn, how to prevent data loss and service interruption through the use of mirroring.

@ Oren Wolf and @ Pete Greskoff discusses various mirroring methods and their differences, shows examples illustrating DR failover and failback, networking best practices, and considerations for elastic and on-demand scaling.

Please check additional resources here.

You can also find all videos on InterSystems Developers YouTube Channel, DC Telegram Channel, Facebook Page and Twitter.

Enjoy! 😃
