New Webinar: Enter a New Era with Atelier

Hi Everyone!

New webinar "[Enter a New Era with Atelier](#)" is available now on [InterSystems Developers YouTube](#):

After watching this 50-minute webinar, you will learn how Atelier can simplify your development workflow. [@Michelle Stolwyk](#), a software developer at InterSystems, discusses the feature priorities InterSystems has for Atelier and even explains how your feedback can affect these priorities.

Post any questions about the recording in the comments of [this post](#).

Take pleasure in viewing new webinar!
