New Video: Sizing and Capacity Planning

Hi Everyone!

Enjoy a new video on InterSystems Developers YouTube Channel:

Sizing and Capacity Planning

The task is to avoid bottlenecks caused by scaling up, before they become a problem. @ Ken Takemura discusses metrics (operating system, InterSystems product, and application) you should look at and how to interpret them. Also this video demonstrates the process of sizing a Caché environment using TrakCare and HealthShare applications as examples.

In addition, please check InterSystems Online Learning Course.

And...

You are very welcome to join InterSystems Global Masters Advocacy Hub where you can also complete some Video Challenges and many more other entertaining and informative challenges.

Feel free to ask any questions about the video in the comments of this post.

Enjoy! 😃
