New Video: Treating Patients with REST and iKnow

Hi Community!

New video "[Treating Patients with REST and iKnow](#)" is available now on [DC YouTube Channel](#):

Task: Leverage unstructured data through iKnow 's REST APIs and other productivity-enhancing capabilities.

Approach: Highlight a real-world deployment from Netsmart.

Presenters: Clint Moon, Brian Fives

Guest Speaker: Matthew Arneiter of Netsmart

Content related to this session, including slides, video and additional learning content can be found [here](#).

What is more?

Soon this recording will turn into a Video Challenge on [InterSystems Global Masters Advocacy Hub](#), where you can also complete many more other entertaining and informative challenges. Join us!

Feel free to ask any questions about the video in the comments of this post.

Enjoy!
