Maintenance Releases 2017.2.2

InterSystems is pleased to announce the availability of Caché and Ensemble 2017.2.2

There are many corrections in these releases. Please find a full list of the corrections in the [release notes](#).

The version number of the kits is 2017.2.2.865.0.

The list of platforms is the same as for 2017.2.1. For complete platform details please refer to the [2017.2 Supported Platforms document](#).

HealthShare Health Connect based on Ensemble 2017.2.2 is not yet available, but will be announced soon.
