New Video: What's Lurking in Your Data Lake?

Hi Community!

Please welcome a new session recording from Global Summit 2017:

[What's Lurking in Your Data Lake?](#)

Task: Become familiar with InterSystems new technology for horizontal scalability.

Approach: Show the technical details of how we can greatly increased the performance of SQL applications.

Presenters: [@ Harry Tong](#), [@ Jeff Miller](#)

In addition, please check [InterSystems Online Learning Course](#).

What is more?

Soon this session recording will turn into a Video Challenge on [InterSystems Global Masters Advocacy Hub](#), where you can also complete many more other entertaining and informative challenges.

Feel free to ask any questions about the video in the comments of this post.

Enjoy!   👍
