New Video: Deploying Shards Using the API

Hi Community!

Please welcome a new video on [InterSystems Developers YouTube](#):

[Deploying Shards Using the API](#)

In this demonstration, you will learn how to deploy a sharded cluster using API, including configuring both the shard data servers and shard master data server, as well as configuring the shard master app server, if required.

In addition, please check [InterSystems Video Portal](#).

And don't forget to subscribe our [InterSystems Developers YouTube Channel](#).

Enjoy and stay tuned! 👍
