## Present Your InterSystems IRIS Solution on Global Summit 2018!

Hi Community!

This year will have a special section on Flash Talks which gives you an opportunity to introduce your tool or solution on InterSystems Global Summit 2018!

### What is Flash Talks?

It's 15 min session you have on Technology Exchange scene: 10 min for your pitch, 5 min for Q&A.

The session WILL BE live streamed on [Developer Community YouTube Channel](#).
