InterSystems IRIS on Microsoft Azure Marketplace

Hi Community!

I'm pleased to announce that InterSystems IRIS is available on Microsoft Azure Marketplace!

[InterSystems IRIS on Azure Marketplace](#)

This is the second public cloud offering of InterSystems IRIS after recently announced [Google Cloud Platform](#) support.

What's inside?

You can find InterSystems IRIS 2018.1.2 for Ubuntu there with BYOL option for the license.

Stay tuned!
