## Global Summit 2018: Live Broadcast on Twitter

Hi Community!

We want to invite you to join the live broadcast in [Developer Community Twitter!](#)

[@Evgeny Shvarov](#) and [@Joe Lichtenberg](#) will present "[Using Blockchain with InterSystems IRIS](#)"!

This session will cover the applicability of blockchain technology to address current business challenges, and will present a live application using InterSystems IRIS with blockchain integration.

It will start in an hour! 👍
