CEEHACKS Smart Health Hackathon Prague 2018

Hi Community!

Would you like to work on the next big game-changing idea in healthcare? How about partnering with healthcare innovation center where selected projects gain access to a unique pool of worldwide expertise? Or how about redefining usage of big data in diagnostics with the world's fastest supercomputer? Or you might fancy changing the future of hospitals with your own new company?

So, meet InterSystems at the CEEHACKS Smart Health Hackathon Prague 2018!

3 days, 50 participants, 20 teams, 10 challenges and 8 prizes! **The MAIN PRIZE is 100.000 CZK.**

Let's support the CEEHACKS Smart Health Hackathon Prague 2018 Teams! 👍
