New Video: Unit Test Coverage in InterSystems ObjectScript

Hi Developers!

New video from Global Summit 2018 is available now on [InterSystems Developers YouTube Channel](#):

[Unit Test Coverage in InterSystems ObjectScript](#)

InterSystems is sharing a tool they use for measuring test coverage. Watch this session recording and learn how you can measure the effectiveness of your existing unit tests, identify weak areas, enable improvement, and track results over time.

Takeaway: I know how to use the tool InterSystems provides to improve my unit tests.

Presenter: [@ Timothy Leavitt](#), Developer on HealthShare Development Team.

Note: [Test Coverage Tool](#) is also available on [InterSystems Open Exchange](#).

And...

Content related to this session, including slides, video and additional learning content can be found [here](#).

Don't forget to subscribe our [InterSystems Developers YouTube Channel](#).

Enjoy and stay tuned! 👍
