## Review InterSystems IRIS or Caché and get two \$25 Visa Cards!

Hey Developers!

Good news! Just in time for the holidays, [Gartner Peer Insights](#) is offering customers a \$25 digital Visa Gift Card for an approved review of InterSystems IRIS or Caché this month!

We decided to support and double the stakes. So! In December '18 you can get the second \$25 digital Visa Gift Card for Gartner review on Caché or InterSystems IRIS on [InterSystems Global Masters Advocacy Hub](#)!

See the rules below.

**Step #1:** To get \$25 Visa Card from Gartner Peer Insights, follow [this unique link](#) and submit a review. Make a screenshot for Step#2 so that we can see that you reviewed InterSystems IRIS or Caché.

**Note:** The survey takes about 10-15 minutes. Gartner will authenticate the identity of the reviewer, but the published reviews are anonymous. You can check the status of your review and gift card in your Gartner Peer Insights reviewer profile at any time.

**Step #2:** To get \$25 Visa Card from InterSystems, complete a dedicated challenge on [InterSystems Global Masters Advocacy Hub](#) — upload a screenshot from Step #1.

Don't forget:

- This promotion is only for reviews entered in the month of December 2018.

## Review InterSystems IRIS or Caché and get two \$25 Visa Cards!

Published on InterSystems Developer Community (<https://community.intersystems.com>)

---

- InterSystems IRIS and Caché reviews only.
- Use mentioned above unique link in order to qualify for the gift cards.

Done? Awesome! Your card is on its way!
