Advent Of Code 2018. And The Winners are...

Hey Developers!

[Advent of Code 2018](#) is over! Thanks for participating in our small but productive COS marathon!

And now we're pleased to introduce the winners and distribute all the prizes!

Big applause goes to these winners:

[Fabian Haupt](#) (w/ repo: [github.com/kazamatzuri/AoC](#))

[Bert Sarens](#) (w/ repo: [bitbucket.org/bertsarens/aoc2018/](#))

[Dmitry Maslennikov](#) (w/ repo: [github.com/daimor/AdventOfCode](#))

And here's the final [Leaderboard](#):

```
 1)  1069  ************************  Fabian
 2)  1032  *************************  Bert Sarens
 3)   886  ***************·*******··*  Dmitry Maslennikov
 4)   462  ***************···········  Tim Leavitt
 5)   432  ************·············  Steve Mik
 6)   413  *******··*·***·····*····*  Ivo ver eecke
 7)   316  ********··**·········**··  Yuval Golan
 8)   224  *******··················  Sergei Shutov
 9)   176  *****····················  Michael Breen
10)   153  ******···················  Sean Connelly
11)   125  ***··*···················  psteiwer
12)   104  **··**···················  Fernando Viana Maia
13)    90  ****·····················  Lin Zhu
14)    76  ***······················  Jack
15)    20  *························  Evgeny Shvarov
16)    16  ·························  Eduard
17)    12  ·························  Stuart Byrne
18)     0  ·························  Daniel Reck
19)     0  ·························  Stephen Wilson
20)     0  ·························  David Crawford
21)     0  ·························  Roger Taylor
22)     0  ·························  Len Goodkin
23)     0  ·························  Martin Weber
```

And what about the prizes?

@Fabian.Haupt gets *10 000 points* on Global Masters and BIG CONGRATS!

@Bert.Sarens gets *5 000 points* on Global Masters! Thanks for the contribution!

@Dmitry Maslennikov gets *3 000 points* on Global Masters! Great job!

Because of the fact that the winner @Fabian.Haupt is an InterSystems employee the "*FREE registration & hotel accommodation for the next InterSystems Global Summit 2019*" prize goes to @Bert.Sarens! Congratulations, Bert! See you in Boston next year!

So!

Congratulations to all the participants!

And thank you for your attention to the contest and the efforts you pay in this exciting coding marathon! 👍

To all — join this exciting contest next year!
