## Open Exchange Project Promotion on Developer Community

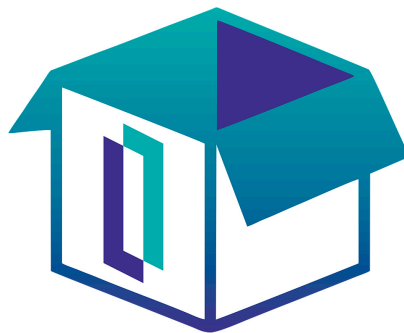

Hi Everyone!

We have a good tidings for you! Recently, we launched a new block on Developer Community Site called "APP OF THE WEEK" (you can see it through all website pages on the right).

And now you have a great opportunity to promote your project!

Redeem a new reward that available for Global Master advocates only: "Open Exchange project promotion on Developer Community"

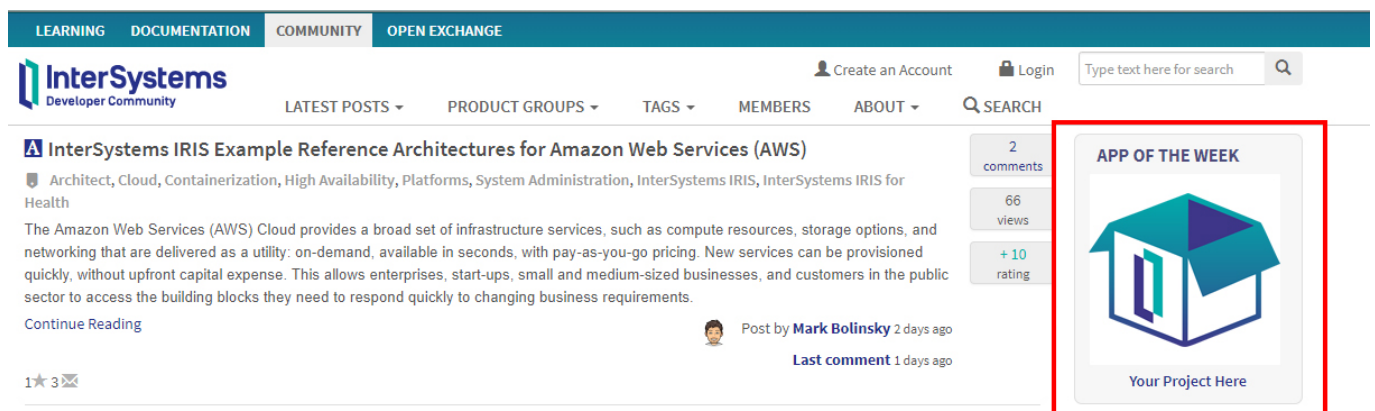

### YOUR OPEN EXCHANGE PROJECT ON DEVELOPER COMMUNITY

What benefits will it give you? See the details below.

- Your project will be placed to the "APP OF THE WEEK" banner on Developer Community.
- The banner will contain a clickable link to your project on [openexchange.intersystems.com](https://openexchange.intersystems.com).
- It will be shown for all DC visitors through all website pages during 1 week.

Your project will be here:

The screenshot shows the InterSystems Developer Community website. The top navigation bar includes links for LEARNING, DOCUMENTATION, COMMUNITY, and OPEN EXCHANGE. Below the navigation bar, there's a search bar and a 'Create an Account' button. The main content area displays a post titled 'InterSystems IRIS Example Reference Architectures for Amazon Web Services (AWS)' by Mark Bolinsky. To the right of the post, there's a sidebar with statistics: 2 comments, 66 views, and a +10 rating. At the bottom right, there's a red-bordered box containing the 'APP OF THE WEEK' banner. The banner features the 3D cube icon and the text 'Your Project Here'.

And...

The price: 1,000 points on [Global Masters Advocacy Hub](#).

Let the world know about your applications and solutions on InterSystems Data Platform!
