New Video: Creating an Event Management Service

Hi Everyone!

New session recording from Global Summit 2018 is available on [InterSystems Developers YouTube Channel](#):

[Creating an Event Management Service](#)

Having an Event Management Service (EMS) is crucial to working in the NHS in the UK. This video will covering all aspects of how to use HealthShare Information Exchange as an Event Management Service.

Takeaway: I can create an EMS using HealthShare Information Exchange.

Presenters: [@Tom Spencer](#) and [@Jon Payne](#)

Additional materials to the video you can find in this [InterSystems Online Learning Course](#).

Feel free to ask any questions about the video in the comments of this post.

Enjoy watching the video!
