New Video: InterSystems IRIS from Spark to Finish

Hi Community!

Please welcome a new video on [InterSystems Developers YouTube Channel](#):

[InterSystems IRIS from Spark to Finish](#)

This video demonstrates spinning up a cluster that combines InterSystems IRIS' powerful data management with Apache Spark's unique approach to parallelizing complex data engineering and analytics. Together, they let you make the best use of your distributed environment.

Takeaway: The combination of InterSystems IRIS and Apache Spark enables me to build powerful analytical solutions.

Presenter: [@Amir Samary](#)
