## InterSystems Global Summit 2019

InterSystems Global Summit 2019  
Boston Marriott Copley Place  
September 22-25, 2019

[Registration is now open!](#)

InterSystems Global Summit 2019 is the premier event for the InterSystems technology community – a gathering of industry leaders and developers at the forefront of their respective industries. This event attracts a wide range of attendees, from C-level executives, top subject matter experts and visionary leaders, managers, directors and developers. Attendees gather to network with peers, connect with InterSystems partners, learn best practices and get a firsthand look at upcoming features and future innovations from InterSystems.

Global Summit will be a three and half-day event held at the Boston Marriott Copley Place, September 22-25, 2019. Nestled in the bustling cosmopolitan neighborhood of Boston ' s Back Bay, the Marriott Hotel is conveniently located next to the Prudential Center, just minutes from historic Trinity Church and Boston Common, and walking distance to Fenway Park and the Charles River.

Global Summit abounds with opportunities to connect with the larger InterSystems Community:

- Tech Exchange - talk with our developers about current and future product capabilities
- Partner Pavilion - discover products and services to help you build applications that matter
- HealthShare User Group - share your stories & hear what ' s new and next for InterSystems HealthShare
- Experience Lab - get hands-on with our latest innovations
- Personalized Training - Learning Services experts available for one-on-one consultations
- And much more...
