## New Video: Productivity for Interface Engineers

Hi Everyone!

One more session recording from Global Summit 2018 is available on [InterSystems Developers YouTube Channel](#):  
[Productivity for Interface Engineers](#)

In this video, we will show how an interface engineer can rapidly and safely move from a legacy system to HealthShare Health Connect. Demonstrations will highlight some of Health Connect's new features such as the schema editor, debugger, and schema generator.

Takeaway: It is easy to migrate healthcare applications to HealthShare Health Connect.

Presenters: [@Steve Schenks](#), [@Randy Pallotta](#)

Big applause for these speakers, thank you guys! 👍

Additional materials to the video you can find in this [InterSystems Online Learning Course](#).

Feel free to ask any questions about the video in the comments of this post.

Enjoy watching the video! 👍
