## How to Add a Poll to Your Post

Hi Community!

Recently we added polls in DC functionality.

How to add it?

Create a usual post. Go below to the bottom of post settings and click on

**Attach poll**

Then fill the question and options for the poll. See the animated gif:

choice 3

choice 4

choice 5

choice 6

And check how it works in this post.

Use polls and enjoy developers feedback with your posts!
