## New Video: InterSystems IRIS in a Container

Hi Everyone!

One more session recording from Global Summit 2018 is available on [InterSystems Developers YouTube Channel](#):

[InterSystems IRIS in a Container](#)

This video covers all aspects of deploying InterSystems IRIS in a container. We will discuss capabilities, benefits, best practices, and our support for containers. To get the most from this session, attendees should be familiar with Docker containers.

**Takeaway:** InterSystems IRIS is a first-class citizen of the container world.

**Presenters:** [@Saurav Gupta](#), Louise Parberry

Additional materials to the video you can find in this [InterSystems Online Learning Course](#).

Enjoy watching the video!
