New Video: InterSystems IRIS - Power of the Platform

Hi Community!

Please welcome a new video on [InterSystems Developers YouTube Channel](#):

[InterSystems IRIS - Power of the Platform](#)

Interoperability, a fast database, analytics, and rapid development have always been hallmarks of InterSystems technology, now all brought together in InterSystems IRIS Data Platform. This video highlights the stories of several customers from Russia and Latin America who are building solutions based on a combination of features provided by InterSystems IRIS.

Takeaway: You can reap benefits from using InterSystems IRIS, even if you don't use its new features.

Presenter: [@Joe Gallant](#), Senior Sales Engineer, InterSystems
