## InterSystems Cache Certification Offers

Hi Team,

If any possible to add a rewards list of InterSystems cache certification to InterSystems Global Masters. For example ,developer or global master user have 10000 point as , we give any offer(price) to attend the InterSystems cache/Ensemble/IRIS certificate. So no.of developer try to attend the exam and get certification.This is very useful for developer career and we also have lot of Cache developers in the market. Please correct me, if I am wrong..

Thanks ,

Ponnumani Gurusamy.
