New Coding Talk: Locking in InterSystems ObjectScript

Hi Everyone!

You're very welcome to watch the new video on [InterSystems Developers YouTube](#), recorded by [@ Sourabh Sethi](#) in a new format called ["Coding Talks"](#):

[Locking in InterSystems ObjectScript](#)

In this video, we all are going to do a deep dive into a very common yet complex topic: locks in InterSystems ObjectScript.
In this video, we will start from the very basics to the most complex and interesting aspects of locks and data integrity.

Recommended Audience: All developers who are aware of MUMPS or Caché Objects.

[Codeset you can find here.](#)

For any questions, please write to [@ Sourabh Sethi](#) at [sethisourabh.hit@ gmail.com](#).

Enjoy watching this video! 👍
