New Video: InterSystems API Manager Introduction

Hi Community!

You're very welcome to watch a new video on [InterSystems Developers YouTube](#), recorded by [@Stefan Wittmann](#), InterSystems Product Manager:

[InterSystems API Manager Introduction](#)

InterSystems API Manager is a tool that allows you to manage your APIs within InterSystems IRIS™ and InterSystems IRIS for Health™. In this video, [@Stefan Wittmann](#) describes what API Manager is and describes several use cases in which the tool would be useful.

And...

Additional info about InterSystems API Manager you can find [in this post](#).

Enjoy and stay tuned!
