Live Certification Exams at Global Summit 2019

Hi Community!

You have a unique chance to get certified on InterSystems technologies at Global Summit 2019!

How? [Reserve a seat in an exam session and take an InterSystems certification exam for FREE.](#)

Please check the details below.

Each day of the Summit, Learning Services will proctor sessions for the following certification exams:

- InterSystems IRIS Core Solutions Developer Specialist Exam: this exam is designed to validate core skills for developers who build applications using ObjectScript and other IRIS technologies (2.5 hours).

Recommended preparation: Complete available IRIS development learning content (Classroom: [Developing with InterSystems Objects and SQL](#) and Online: [Building a Server-Side Application with InterSystems IRIS](#)) and at least six months of on-the-job experience, or the equivalent skills.

- HealthShare Health Connect HL7 Interface Specialist Exam: this exam is designed to validate core skills for developers who use Health Connect to build and test HL7 v2.x productions (2 hours).

Recommended preparation: Complete available Health Connect learning content (Classroom: [Building and Managing HL7 Productions](#) and Online: [Building Your First HL7 Production](#)) and at least six months of on-the-job experience, or the equivalent skills.

So!

The standard \$150 exam attempt fee is waived. Please arrive for Doors Open (see Exam Schedule) to check in with photo ID. Laptops will be ready. The group will start their exams together but you may leave when finished. Proctors will be available for any assistance needed.

Please note: Exam start times are sharp and, once the exam session has started, no one will be permitted entry.

Space is limited in each exam session, so please sign up in advance.

For more information, and to register for an exam, visit www.intersystems.com/gs2019exams.

See you on InterSystems Global Summit 2019!
