New Developments Newsletter

Hi Community,

Our latest issues of Developments and Developments Healthcare Edition have been posted to the [Developments Archive site](#), where you'll also find other previous issues. Learn about InterSystems API Manager, preview releases of InterSystem IRIS and IRIS for Health, and live webinars this month about how you can easily move your Ensemble or Caché applications to InterSystems IRIS.

Optimize your investment in InterSystems technology [by subscribing](#) to these and other InterSystems publications.
