Filters and Favorites not showing after creating new dashboard

After creating a new dashboard the filters and favorites are not displaying on the left side.

The version info is as follows:

Cache for Windows (x86-64) 2017.2.1 (Build 801318358U) Tue Jul 24 2018 16:38:29 EDT [HealthShare
Modules:Core:15.032.8680 + Linkage Engine:15.032.8680 + Clinical Viewer:15.032.8680 + Active
Analytics:15.032.8680

Thanks,

LG
